Both warranty options cover parts and labor if overhaul is completed by a Mack dealer. Warranty labor is not covered if overhaul is not completed by a Mack dealer. ¹A Mack dealer must perform the labor to be eligible for the 3-Year Extended Coverage. ²Muzzleloader Kits are available for an additional cost. ³REmack Basic (3/4) Engines do not include injectors pre-installed. ⁴E7 engine overhaul kits do not include thermostats. **Note:** Mileage and time are from date of service. All "Covered Components" must pass inspection or be replaced at the proper intervals as prescribed by a Mack dealer to qualify for continued coverage. All warranty coverage is subject to the Limitations and Exclusions contained in the relevant Warranty Certificate, which is available upon request.
